Situated at the entrance of a traditional fishermen's district on the lakeshores of Lagoa da Conceição, our kiter's shack provides you with best conditions, dedicated instructors and high-quality equipment. Our strategic location close to Barra da Lagoa allows us easy access to kite spots for all levels starting with the flat waters of lake Lagoa itself up to wave-spots at beaches like Moçambique and Barra da Lagoa. Campeche, a popular wave-spot for south winds, is also close by. Our school faces the best section of Lagoa for south winds, but the spots work great with north winds as well. In this case we'll give you a boat-ride to the best wind tunnels.

Our instructors attend you in English, Spanish and Portuguese. We work with the latest model kites, boards, harnesses and safety equipments and offer

- Kite classes
- Rental of all equipment
- Storage of your kite equipment
- Ride and pick-up by boat (we get you to the best wind tunnels on Lagoa and pick you up in cases of need)
- Maintenance of kites and boards

Above all this you will enjoy a great atmosphere here on the school grounds. Contact us and get to know the Brazilian way of kiting!

Good winds,

Your team Tribo do Vento
